

What Have I Done

Rebeka

What, what have I done to you?
What, what have I found rising?
What, what if it was right for
For me?
What, what have I done to
To you?
Rival
To you
A rival
What have I done rising?
What, what if I will die remembering?
What, what if there is no
No horizon?
For me, the one who
Needs to see the horizon
Horizon
To you
Horizon
To you
