

# Black Is The World

## Rebellion

1)

Stumbling through a world where pain and darkness rule  
Gloucester led by Edgar in the robes of a crazy fool  
Towards Dover now he drags his father on  
Who only longs for death as his flame of life is gone

Brdg.

Goneril's servants lay your way  
Save your molested father all of them you slay

Ref.:

Black is the world  
Black is the world  
Through the eyes of madness, so black  
Blind eyes of madness

2)

Amidst the slain Goneril's letter comes to light  
Proposing Edmund to kill her husband in the fight  
She would marry him and make the Bastard King  
To Albany secretly that letter you must bring

Brdg.:

Seek the Duke of Albany

Ref.:

Black is the world  
Black is the world  
Through the eyes of madness, so black  
Blind eyes of madness
