

# Sahsnotas

Rebellion

I have lived a warrior  
I've earned my gold  
To do the bloodwork of Rome  
And to Sahsnot  
I send my prayers  
For I am a Saxon now  
The warriors' tribe my home  
Sahsnot

We descent from Alexander the Great  
Landed on these shores and  
Dirt and dust with gold we paid  
We are warriors born to kill and to fight  
Stand in our way  
And you will die

Brothers of the sword  
A Germanic Horde  
Oh Sahsnotas Saxons we are

Warriors out to kill  
Yes and kill we will  
Oh Sahsnotas swordbrothers we are

I and all the warriors  
Of the Reudignians  
The Angles, Aviones  
No more Nerthus  
No priest to rule us  
For we are Saxon now  
And free to choose our own  
Sahsnot
