

## The Tribes United

### Rebellion

Chatti- Bructeri and Marsi have come  
To meet secretly with Segimer's son  
Cherusci, Angrivarii, German tribes to strong  
To fight all united together as one

Brothers, raise your swords

The tribes all united  
United as one  
The force we could muster  
The deeds to be done  
The tribes all united  
United as one  
With an iron fist and a sword in hand  
To crush the power of Rome

Welcome Segestes, ally to Rome  
I took your daughter for a wife so please feel at home  
I dine with Varus, know what's on his mind  
Germania as a province, oh you cannot be so blind

Segestes, raise your sword
