

# All or Nothing

Rebelution

You talk about it all day  
You say one thing then it goes the wrong way  
All hearsay  
Time to take aim  
Get on a mission  
Put some power in your name  
Are you ready to make gains?

Why you always trying to maintain?  
Nah, we don't wanna play the blame game  
I used to always do the same thing  
Never mind that  
Get your power back  
Tell me

Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
I'm all or nothing with you

Do you struggle every day trying to survive?  
Got a plan and a mission but you can't find the drive  
Looking for answers to change up your life  
Trying to find the heartbeat but you just can't revive  
I can't relate cause I'm way too hyped  
What you need? I can send some by  
We all deserve a nice slice of the pie  
Now get back on the grind  
Put the fight in your life

Why you always trying to maintain?  
Nah, we don't wanna play the blame game  
I used to always do the same thing  
Never mind that  
Get your power back  
Tell me

Tell me something, are you in all or nothing?  
(All or nothing)  
Tell me something, are you in all or nothing?  
(All or nothing)  
Tell me something, are you in all or nothing?  
(All or nothing!)  
I'm all or nothing with you  
(Aye aye aye aye)

Tell me something, are you in all or nothing?  
(Suh mi seh mek mi tell you this)  
Tell me something, are you in all or nothing?  
(Suh mi seh mek mi tell you this)  
Tell me something, are you in all or nothing?  
(Suh mi seh mek mi tell you this!)  
I'm all or nothing with you

Rise before the sunshine  
Keep your eyes pon the focus and the goals right now  
Won't stop til I get mine

Ain't no stopping  
No sidetracking  
Yo, I'm on the go  
Eh!

All or nothing  
See the cake deh yah now fi cut it  
Lace up mi boots, buckle mi belt  
Shirt deh yah fi button  
Nothing try, nothing done  
Suh make sure put the wuk in  
One door close is another one open  
Follow me with da style  
Like a fire mi blaze fire  
All or nothing keep the positive ways  
Stepping out pon the road  
Jah Jah protect the days for you  
Go for what you want, achieve it, don't be afraid  
Whenever dem think mi done, the ting just began  
Yuh cyaan weak in a the streets, yuh know man fi strong  
And from the streets of California to Amsterdam  
Suh make we chant and Jah praises like Rasta Man

Hey Hey Hey

You gotta tell me what you're about to do first  
Recognize your value and knowing your worth  
Breaking down the walls laying down all the work  
Making all the calls generating pay dirt  
Step up, step up, step up  
Bottom of the hill  
Move up, move up, move up  
Climb up to the tree top  
Settle then we stake that claim  
We got nothing to lose and  
Everything to gain

Why you always trying to maintain?  
Nah, we don't wanna play the blame game  
I used to always do the same thing  
Never mind that  
Get your power back

Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
I'm all or nothing with you

Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
Tell me something, are you in all or nothing?  
I'm all or nothing with you
