

That Zone

Rebelution

What could come to be?
Who knows if we don't take it further?
You make it hard for me
Baby
Cause I wish that we were closer
And I mean closer

That zone
That zone
Yeah, I hear it well
That tone
Oh no

I feel I'm missing out on that true love
And I don't have a second
Time is of the essence
Want a deep connection
And I know we got it nice like this
But I imagine on a night like this
Well, I see passion
Yeah, but still I'm in that

That zone
That zone
Yeah, I feel it well
That tone

It is foolish to deny
When we look in each other's eyes
We feel something
No, we can't pretend
That our vibe says we're more than friends
But we say nothing
And still I'm stuck in

That zone
That zone
Yeah, I hear it well
That tone
Oh no

I feel I'm missing out on that true love
And I don't have a second
Time is of the essence
Want a deep connection
And I know we got it nice like this
But I imagine on a night like this
Well, I see passion

That zone
That zone
Yeah, I hear it well
That tone
Oh no

I feel I'm missing out on that true love
And I don't have a second

Time is of the essence
Want a deep connection
And I know we got it nice like this
But I imagine on a night like this
Well, I see passion
