

Trap Door

Rebelution

God damn it's a long, long road
That never occurred to me

You're looking for that shortcut
I don't wanna cause a scene

You wanna keep from closing
That would be okay with me

You should be more outspoken
Nah, I see an out for me

You're looking for a trap door
So you can make a run for it

Sneak through the ground floor
Be careful what you wish for

You need to find some answers
Nah, I'm headed out to sea

It's time you solve your problems
But they only make me scream

Hey man, I'm far from perfect
What do you expect of me?

Hey man, I'm only human
Why can't you just let me be?

You're looking for a trap door
So you can make a run for it

Sneak through the ground floor
Be careful what you wish for
