

# Buckaroo

Reckless Kelly

When the party is over  
And I'm all alone  
And now that I'm sober  
I wish you were home  
I threw out all the records  
That remind me of you  
They just bring back memories  
Of songs we danced to

You were mine, all mine  
And you knew just what to do  
You were my angel, baby  
I was your buckaroo  
I was your buckaroo

I don't know why I left you  
Or why you let me go  
It was finally the last time  
We reached the end of the road  
And I know I could call you  
But I don't know what I'd say  
So I just keep pretending  
That it's better this way

When you were mine, all mine  
And you knew just what to do  
You were my angel, baby  
I was your buckaroo  
I was your buckaroo

Yeah you were mine all mine  
And you knew just what to do  
You were my angel, baby  
I was your buckaroo  
I was your buckaroo
