

Mona

Reckless Kelly

I met Mona at the Phantom Ranch
Seventeen hands and the legs to match
I ain't climbing up the mountainside
I let her take me on a little ride
Oh Mona you're a bad bad girl

Outta the chute I was loosing my mind
She's walking on the edge and I don't wanna die
Somebody get me off this merry go round
Too late just don't look down
Oh Mona you're a bad bad girl

Oh Mona you're a bad bad girl
Ya don't love me even though you mean well
Up from the river to the top of the world
Oh Mona you're a bad bad girl

My life's flashing right before my eyes
I never even got to say my goodbyes
Everywhere I look there's a treacherous drop
Come on baby get me to the top
Oh Mona you're a bad bad girl

Oh Mona you're a bad bad girl
Ya don't love me even though you mean well
Up from the river to the top of the trail
Oh Mona you're a bad bad girl

Out of the tunnel I can see the light
I never saw such a beautiful sight
I've had enough of this horsin' around
I dismounted and I kissed the ground
Oh Mona you're a bad bad girl

Oh Mona you're a bad bad girl
Ya don't love me even though you mean well
You're the queen of the Bright Angel Trail
Oh Mona you're a bad bad girl

Oh Mona you're a bad bad girl
Ya don't love me even though you mean well
Up from the river to the top of the world
Oh Mona you're a bad bad girl
