

Sad Songs About You

Reckless Kelly

Hey baby, thanks a lot for standin' me up tonight
Just when I thought I'd already emptied the tank
You dropped the bomb and then came a song so I guess it's alright
Another brick in the wall of this heartbreak and I have you to thank

And I don't know why I write all these sad songs about you
'Cause I'll have to sing 'em somehow, for the rest of my life
I don't know why I write all these sad songs about you
Well, I guess they just hurt a lot less than another goodbye

Hey baby, thanks for pulling the rug out from under me
Just when I thought I'd come to the end of my rope
You shot me down, and it all turned around and it came out so easily
Another song about you and it too leaves me full of false hope

And I don't know why I write all these sad songs about you
'Cause I'll have to sing 'em somehow, for the rest of my life
I don't know why I write all these sad songs about you
Well, I guess they just hurt a lot less than another goodbye

Just another sad song that I wrote about livin' without you
Well I guess it just hurts a lot less than another goodbye

Hey baby, thanks a lot for standin' me up tonight
