# Wicked Twisted Road

**Reckless Kelly**

My first love was a wicked twisted road
I hit the million mile mark at seventeen years old
I never saw the rainbow much less a pot of gold
yeah my first love was a wicked twisted road

my first love was a castle in the sky
I never thought I'd make it 'till I had the guts to try
and I sat up in my tower while the whole world passed me by
yeah my first love was a castle in the sky

my first love was a fearless drive in rain
scared to death I thought I'd never see her face again
they say god was crying so I guess he felt my pain
yeah my first love was a fearless drive in rain

my first love was a wild sinful night
I ran out with the big dogs guess I had more bark then bite
even thought I won the battle in the end I lost the fight
yeah my first love was a wild sinful night

my first love was an angry painful song
I wanted one so bad I went and did everything wrong
a lesson in reality would come before too long
yeah my first love was an angry painful song

My first love was a wicked twisted road
I hit the million mile mark at seventeen years old
I never saw the rainbow much less a pot of gold
yeah my first love was a wicked twisted road

my first love was a wicked twisted road
