'89 Sparkle

Reckless Love

Surf's up - party time!
Now let's see guys, we got titties
We got beers, alright, cheers!

The powerboats and bikinis
We're running hot down the coast
We don't always try to get to where the sun goes

You gotta go with a feeling (that's right)
'N' navigate with your nose
Buddy tonight we're gonna head to where the
Drink flows

Sun rays pamper us (woah)
Life is glamorous (yeah)
The waves hit high and the ride gets wild (wow)
Big ones hammer us (woah)
Surfs up yeah we're nuts (yeah)
We hope the skyline brings a storm
Alright

Somewhere on the map we are sailing for mayhem baby
Somewhere under heavier skies we live up (haha)
When the summer thunder on the horizon is rising
Hear us pop that '89 sparkle and holler (wow)
Ooo-ooo-ooo hear us pop that '89 sparkle (Oh baby)

Hurricane is in season
So is raising a toast (that's always in season)
And tonight we're gonna head to where the weather blows

Hot rains pamper us (woah)
So adventurous (yeah)
The world gets bright when the lightning strikes
Might get dangerous (woah)
Surfs up yea we're nuts (yeah)
We're racing with them tornados
(And we lose everytime)

Somewhere on the map we are sailing for mayhem baby
Somewhere under heavier skies we live up
When the summer thunder on the horizon is rising
Hear us pop that '89 sparkle and holler
(Wow)

(Come on mother nature) Ooo-ooo-ooo
(Hit me with your best shot) hear us pop that '89 sparkle
Ooo-ooo-ooo hear us pop that '89 sparkle
(Pop that '89 sparkle)

Hunting for the armageddon
That's what we're doing
(Pop that '89 sparkle) God damn I gotta be home
Before the boat sinks

Somewhere on the map we are sailing for mayhem baby
Somewhere under heavier skies we live up

When the summer thunder on the horizon is rising
Hear us pop that '89 sparkle
