

## Child of the Sun

### Reckless Love

Well I am born from the heat  
What it is you think I need  
What it is I need to be myself  
And breathe I breathe

Sanity and lunacy  
Two alike but differently  
Getting naughty at the scene  
And blowing off the steam

Summer wine is circulating  
In my blood  
Oh you got me feeling like  
I'm such a stud  
And the passion that we share  
Is like a drug oh yeah

Ay-ay-ay I'm a child of the sun  
Sex on the beaches  
That's what I need yes  
Ay-ay-ay I'm a child of the sun  
Born from the heat to  
Bring you this beat of my fellow  
Oh oh my fellow  
Child of the sun, child of the sun  
Oh oh my fellow  
Child of the sun, child of the sun

Pretty wild and slightly mad  
Little lost and off the map  
Am I hot for you I got it bad  
So bad so bad

Can not see your pain it's sad  
Love is blind now ain't I glad  
And this love affair has been  
The best I've ever had

Summer wine is circulating  
In your blood  
Does it make you feel like  
You are such a slut  
Yeah the passion that we share  
Is like a drug oh yeah

Ay-ay-ay I'm a child of the sun  
Sex on the beaches  
That's what I need yes  
Ay-ay-ay I'm a child of the sun  
Born from the heat to  
Bring you this beat of my fellow  
Oh oh my fellow  
Child of the sun, child of the sun  
Oh oh my fellow  
Child of the sun, child of the sun

Gimme gimme what I need

Give me something sticky sweet  
I'm the one born from the heat  
Crazy like Miami beach
