Dance

Reckless Love

Entered the danger zone
Seductive and unknown
Followed a beauty now I'm far from home

She's made of silicone
Oh God she turns me on
She's got connections
She's got the powers in black magic

Her reputation succeeds her
On kiss and I'm a believer
She uses witchery

On my heart – Oh my God
So dangerous and so drastic
She's plastic she's fantastic
She pulls me on the floor

Here we go

She said Dance baby Dance for me
Come on Dance do it secretly
Be my baby rock rock rock rocker on
On the Dance floor of rock n roll

Extended and extreme
Most beautiful I've seen
She is so fake but oh so very real

She likes to play it rough
I cannot get enough
She is so hot even her fragance

Smells like botox

My medication is her
One kiss and I belong to her
She's got my poison heart
Pumpin hard – Oh my God

So dangerous and so drastic
She's plastic she's fantastic
She pulls me on the floor

Here we go
She said Dance baby Dance for me
Come on Dance do it secretly

Be my baby rock rock rock rocker on
On the Dance floor of rock n roll

She said Dance baby Dance for me
Come on Dance do it secretly
Be my baby rock rock rock rocker on
On the Dance floor of rock n roll

She said Dance baby Dance for me

Come on Dance do it secretly
Be my baby rock rock rock rocker on
On the Dance floor of rock n roll

She said Dance
