### Reckless Love

Love, is everything I need  
Relentlessly i seek it every night  
Might find it one time,  
But back to you will bleeking heart wounds lead  
Bless me mama, i have done wrong  
Bless me in the way you sion  
Do it in the name of my salvation

While i was lying there it got me thinking, why i started drink

What was that drove me out of my head?  
Clarity it took me by the ears  
Soul stealer I've been for all these years  
Ripping hearts out, smiling never cared for tears
