

## Fantasy

### Reckless Love

I admire and adore you  
My desire will always fulfill when I'm with you  
Even though I'm such a nightmare  
When things took a turn to worse, you were right there.  
You didn't even think twice, standin' right by my side

Your love is like Fantasy  
So good I just can't believe  
That love it ain't easy to me  
Your love is like Fantasy  
Far better than reality  
When love it ain't easy to me  
Love, it ain't easy

Into my heart, Into my head  
Yeah you brought so much passion and love into my bed  
Yes in our bed, ooh the fire  
Anytime that you call me I swear I'll be right there

I wouldn't even think twice, I'd be there right by your side

Your love is like Fantasy  
So good I just can't believe  
That love it ain't easy to me  
Your love is like Fantasy  
Far better than reality  
When love it ain't easy to me  
Love, it ain't easy

Oh, I never believed that you would mean so much to me  
Love bites and love bleeds, but your love is everything I need

Your love is like Fantasy  
Everything I ever need  
Love it ain't easy

Your love is like Fantasy  
So good I just can't believe  
That love it ain't easy to me  
Your love is like Fantasy  
Far better than reality  
When love it ain't easy to me  
Love, it ain't easy  
Love, it ain't easy  
Love, it ain't easy  
Love, it ain't easy
