Future Lover Boy

Reckless Love

You got me on the edge of my seat
'N' the flicker of the tube light
Gives away my dirty dreams

You look at me, I feel the heat
'N' this midnight subway train
Is bound to hell or history (history)

Your body tells a naughty story
'N' my body understands you know it
Nobody touches you like I do, I do, I do

I'm the future lover boy
And I know I know I know
You'll be right here in my arms

I'm the future lover boy (aaa-aaa-aaa)
And you know you know you know
That your past will break your heart again
(Aaa-aaa-aaa) (aaa-aaa-aaa)
(Aaa-aaa-aaa) (aaa-aaa-aaa)

Tell me the lies you're telling him (ah)
When you're dancing with me all night
My eyes are on your perfect skin

Baby I know, the way that it feels
(I know how it feels)
It must be killing him inside
To know that you belong to me

I'm the future lover boy (lover boy)
And I know I know I know (I know)
You'll be right here in my arms
(Aaauuh)

I'm the future lover boy (aaa-aaa-aaa)
And you know you know you know
That your past will break your heart again

Your body tells a naughty story (yeah)
'N' my body understands you know it (alright)
Nobody touches you like I do, I do, I do

I'm the future lover boy (aaa-aaa-aaa)
And you know you know you know (you know)
That your past will break your heart again
(Aaa-aaa-aaa) (aaa-aaa-aaa)
(Aaa-aaa-aaa) (aaa-aaa-aaa)
