

## Get Electric

### Reckless Love

High school mega blond, bombshell with her heels on  
Heaven in the hallway, candy cuties wear their lipstick on a school day  
Hangin' on the telephone, iPod on the shuffle mode  
Rockin' on the rough, baby pull the pretty pumps  
Techno tootsies in the town

G-get electric on me, your technology  
Ya gotta get electric on me, I know what you need  
Girl you gotta c-c-come along, 'cause I can g-g-get it on  
G-get electric on me, your technology

Eat my, love is gettin' pixelized  
Hiding from a flat screen, the television teens listening to mp3s  
Livin' in a video, chewin' on a cheerio  
SMS and you're alone

G-get electric on me, your technology  
Ya gotta get electric on me, I know what you need  
Girl you gotta c-c-come along, 'cause I can g-g-get it on  
G-get electric on me, your technology

Ah... Ever have a problem with your software? That's because it's soft  
Come on and try out the big boy toys! I got some new hardware for ya! Brand new! OMG! LOL! Whoa!

G-get electric on me, your technology  
Ya gotta get electric on me, I know what you need  
Girl you gotta c-c-come along, 'cause I can g-g-get it on  
G-get electric on me, your technology  
WTF?
