

Hands

Reckless Love

Climbing up my inner thigh as I am on the stage
You're capable of causing me the pleasure an the pain
You are my
You are my
You are my burning desire on two legs
Now let me feel fingers running up and down my spine
And if you let me feel it somewhere else I'm gonna smile
The line is thin there is no crossing it until you get this in your head
They say your future is never in your

Hands
I wanna see your
Hands
Now let me see your
Hands
Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can

Hands
I wanna see your
Hands
Now let me see your
Hands
Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can
Yeah

I believe that everything you do and what you don't
It is connected to your future and to what it holds
You gotta be careful when making a clever decision of this size
It really scares the living hell out of me when I know
That there is someone like me pulling strings out of control
A walking catastrophe just like a human disaster of my kind
This phrase its future is written in your

Hands
I wanna see your
Hands
Now let me see your
Hands
Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can

Hands
I wanna see your
Hands
Now let me see your
Hands

Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can

Oh baby this is my command
You better show your filthy
Hands
Hands
Hands
Hands
Yeah

One more chance to show what you're made of
One more chance to prove that you're able
Higher
Higher
One more chance to get your hands higher
Get your hands up baby scream higher

Hands
I wanna see your
Hands
Now let me see your
Hands
Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can

Hands
I wanna see your
Hands
Now let me see your
Hands
Oh do you understand
Your filthy little hands
I wanna see them up in the air
As high as you
As high as you can
Yeah
