Hot

Reckless Love

It's getting hot, hot hotter than
It's getting hot, so hot
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell

It's a time of year I got my toes in sand and the sun is here
Got a drink in my hand,
And the future's clear I'm goin' crazy from the heat,
Heat is messin', my head is messin'

It's getting hot, hot hotter than
It's getting hot, so hot
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Well I'm goin' blind, cause I got no shades
I can't close my eyes because of that babe
Running on the beach and baby when she hits on
Whoa! Penis sign for my sunrise

You don't know, you don't know
Yeah you don't You don't know What's up if you have
See this girl she will heat up the room I know,
She's hot, she's hot like California

It's getting hot, hot hotter than
It's getting hot, so hot
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell

In the midnight sun, on a perfect night,
Have a perfect bomb, and a perfect tan line
Gonna lose my mind now sex is getting navity
In bikini, smoking and sinning

It's getting hot, hot hotter than
It's getting hot, so hot
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
Yeah It's getting hot Hot hotter than hell
