

# Pretty Boy Swagger

Reckless Love

Hit me with the heavy weight of love  
Hit me with the heavy weight of love

Yeah, I'm a rocker not a rapper  
Walking down the strip  
With my pretty boy swagger  
Sipping on gin and juice  
Slipping on cowboy boots  
I belong in one of them dope girly dudes  
Yo bae  
You're my muscle pumping violent fantasy  
And I gotta let you know that in me  
There's fighter and a lover in harmony

Chasing one another  
That's the dirty game of love  
In the first round  
If you wanna get attention from me baby  
Look like a knock out and  
Hit me with the heavy weight of love  
Bring it on, drop the bomb  
Hit me with the heavy weight of love  
Pound it hard on my heart  
Hit me with the heavy weight of love  
Hit me with the heavy weight of love

Round two I love to win  
You hate to loose  
So you better hit me  
With your best moves  
So take a shot  
And ring the bell  
Cause this heat is getting hotter than hell  
Can you see the beatiful irony  
In fighting with the one who is good to me  
There's nothing like a furious extacy  
Yeah

Chasing one another  
That's the dirty game of love  
In the first round  
If you wanna get attention from me baby  
Look like a knock out and  
Hit me with the heavy weight of love  
Bring it on, drop the bomb  
Hit me with the heavy weight of love  
Pound it hard on my heart  
Hit me with the heavy weight of love  
Hit me with the heavy weight of love
