

So Yeah!!

Reckless Love

She looks kinda good
But I know she's bad
She got a fishnet socks
Glossy lips and beauty dots

Though she ain't the smartest chick
She's the one that all the guys dig

She's so yeah
I'm out of words, can't find a thing to say
She's so yeah

They say she's got too much
Too much of that tush
But she doesn't really care
'Cause she makes all the guys stare

Though se ain't a beauty queen
She's the one all the guys need
Sex appeal, that's for real
And I knew you would like it

She's so yeah!
I'm outta words, can't find a thing to say
She's so yeah!

Well, you know
Every girl ain't got that certain rhythm in their hips when the
y walk
But this girl's got something else

Ooh yeah

Here she comes!
There she goes!

She's so yeah!
I'm outta words, can't find a thing to say
She's so yeah!
I'm outta words, can't find a thing to say
She's so yeah!
I'm outta words, can't find a thing to say
She's so yeah!
