Reckless Love

Oh,

Speed princess, she is straight out of hell,  
Speed princess, pretty as a top model,  
Speed princess, needles to tell,  
Speed princess, she has grown up well,  
Speed princess, you light up the night, with your beautiful headlights,  
Speed princess, you're so damn nice,  
Speed princess, oh no no,  
Speed princess, i can't let you go,  
Speed princess, let me take you home,  
Speed princess, smiling at me,

Speed princess, damn she's such a tease,  
Speed princess, the one i need,  
Speed princess, meanest i've ever seen,  
Speed princess, you light up the night, with your beautiful headlights,  
Speed princess, you're so damn nice,  
Speed princess, oh no no,  
Speed princess, i can't let you go,  
Speed princess, let me take you home,

Girl you caught my eye,

Yeah, you made me fly and when you're here i will go down,  
Speed princess, you light up the night, with your beautiful headlights,  
Speed princess, you're so damn nice,  
Speed princess, oh no no,  
Speed princess, i can't let you go,  
Speed princess, let me take you home,  
Speed princess, oh no no,  
Speed princess, i can't let you go,  
Speed princess, oh no no,  
Speed princess, come on, come on, come on, speed princess, speed princess...
