Switchblade Babe

Reckless Love

Snakebite wicked eyes
Hot pants and tatooed thighs
High heels dirty mind
Have you met miss mayhem?

Don't call her by her name
Don't look just run away
You better be afraid
She is a bad boy slayer

Boy don't you put yourself
Against her it's a suicide
She pulls her trigger
And you're gonna die

Switchblade Babe
Danger is in her wake
The blood red stiletto heels slay

Switchblade Babe
Razors in her nails
She's gonna cut your heart away

She's walkin down the street
She's tough she ain't sweet
I tell you boy she is
A pretty "Jack the Ripper"

She's sharp like her knife
Threatening to human kind
One sexy genocide
Baby you can't stop her

Boy don't you put yourself
Against her it's a suicide - HEY
She pulls her trigger
And you're gonna die

Switchblade Babe
Danger's in her wake
The blood red stiletto heels slay

Switchblade Babe
Razors in her nails
She's gonna get you - WOOOAH

WOOAH - WOOAH - Switchblade Babe
WOOAH - WOOAH - Switchblade Babe
WOOAH - WOOAH - Switchblade Babe

Her monster mind is not
The Jekyll it's a sexy Hyde
So don't you put yourself
Against her it's a suicide

Switchblade Babe
Danger's in her wake

The blood red stiletto heels slay

Switchblade Babe
Razors in her nails
She's gonna get you – WOOOAH

Switchblade Babe
