

## Co-Sign

Red Café

Izzr...

They say if Hov' don't co-sign him, he ain't hot  
They say if Puff don't co-sign him, he ain't hot  
Doc Dre don't co-sign him, he ain't hot  
J-Prince don't co-sign him, he ain't hot

Yeah, handlin' them 700 horses  
Westside, dual exhaustses  
Fresh off the block, Delta Forces  
Never run, never forfeit, I talk it  
36, 000 feet, feelin' nauseous  
Somethin' like swervin' in Porsches  
Did 4 years in the box, nearly lost it  
Now I'm the boss of the bosses, corner office  
211 was my thing, now I'm off it  
Took what I want, never took what they offered  
Came with a hardcore style, never altered  
G-code, Arm & Hammer talk it and walk it  
Still I got the drive to go  
Whether usin' that flow or movin' that blow  
Brooklyn style, never losin' that glow  
In 6 minutes came Doug E. Fresh for the show

If Hov' don't co-sign him, he ain't hot  
They say if Puff don't co-sign him, he ain't hot  
Doc Dre don't co-sign him, he ain't hot  
J-Prince don't co-sign him, he ain't hot

I went from label to label  
Said I wasn't able  
Chris Lighty asked why I don't rhyme like they do?  
"If you made a song like this, I will pay you"  
But it wasn't me, no matter what the fee  
I'm R-E-D C-A-F-E  
You can find me wherever the best be  
You can find him wherever the rest be  
One of you's feel different bet a ki, stupid  
Sicker than yo' average  
And I came as is, not as if  
Never ever scared, man, I grabs that fifth  
Flow never wear, I gots that gift  
Go getter since the stadium 'lo sweater  
1-9-9-2 with the iron too  
Push me, I'll be forced to remind you  
7 figures up, you gon' sign who?

If Hov' don't co-sign him, he ain't hot  
They say if Puff don't co-sign him, he ain't hot  
Doc Dre don't co-sign him, he ain't hot  
J-Prince don't co-sign him, he ain't hot

The Lord of the Rings  
Truth what I bring  
Born and raised, County of Kings  
Hustlers, G's, recognizin' my thing  
Slid across the bridge with the bling, bla-ow!

R from the bottom, so I think, foul  
My dogs bite before they growl, wow  
Cafe, play me, the best, could you believe him?  
"Momma Denny, that boy sick, did you conceive him?"  
Pitch white rocks, no need to relieve him  
Hustle like Los', stop niggas breathin'  
1 and the 2, 2 and the 3  
Mostly when I'm off Hennessy  
Niggas ask why I went to the West?  
Quarter mil' cash in the West  
Mack [?] gave a nigga love in the West  
While my whole town at each other neck  
What you expect, with no co-sign?

If Hov' don't co-sign him, he ain't hot  
They say if Puff don't co-sign him, he ain't hot  
Doc Dre don't co-sign him, he ain't hot  
J-Prince don't co-sign him, he ain't hot
