

Fully Loaded

Red Café

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.

Shawty got ass, all the bitches want her,
I woke up faded, turn around and blazed it,
Been like ten years, meet me in this money, baked,
I got cash overload, she got ass overload,
Sir, I buy a bucket, ask give myself her, no.
I'm a name my protein, I'm scheming out her whole team,
Her ass got a purpose, so work it, work it, work it, man.
That booty be on request, she never on recess,
She just bout that paper, get it, girl, by no BS.
Loaded, she loaded, that gas got me on Pluto,
That Marley got her on Pluto, her ass fat sumo.

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.

I got it, now that's one in the hate,
She blow it, she pop it, she busting in the bed,
She busting in the chair, she busting on the stairs.
She busting everywhere, shit, I'm busting in her hair.
I don't fuck with that red dot if she ain't for real,
And it's only head shots, I be giving late shots.
Always got my safety on, always make her legs lock,
She ain't never saying stop, spray me, leaving red stop
Chopper breaking down, she fall back when I sway that,
Hit that and I hate that, and the gut's just where I aim at.
Looking at her marks, man, pussy precision.
Knock that motherfucker down like he was tripping.
My nigga, nigga, nigga, why you think they call me trigger for?
Eat that pussy busting, baby, fuck them other niggas hoe.
I just get you open like the track was in the envelope,
I be killing pussy, tell me, can I get it in the show?

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,

I'm from the PJs, where my jay's when I fuck her.

You need a fully loaded bitch up in your life
You need a fully loaded bitch to be your wife.
I need a fully loaded nigga on my team,
I need a fully loaded nigga on my team.

That girl be fully loaded, I keep that thing on safety,
That girl be rolling way here, that nigga driving safely.
That girl is something special, like that 38B
Them hoes be throwing shots, but shawty's catching murders lately.
Your body bags, body bags, make sure they should nail,
I told her let me squeeze it, to make sure that it's real.
Got a low bitch, her friend know, it's cold roid, extend,
I told her blow her conscience, then I slide in that Nintendo.
There ain't gonna be no games play, just game spray, she can't stay,
Then I pull back that white sheet like oh, shit, you're damn late.
In my bed, in my head, I'm thinking salute her,
A nigga couldn't make a bus, she got what she shoulda.

Shawty loaded, loaded, loaded,
Shawty fully loaded, loaded, loaded,
Shawty got ass, all the rich niggas love her,
I'm from the PJs, where my jay's when I fuck her.
