Red Café

What it be like?  
Shakedown  
Top flow with it  
Ah, Yeah

I be doing me, making the haters mad  
Pop tags everyday, I'mma show my ass  
Photogenic swag, get automatic cash  
Big wheel in the front, 200 on the dash  
We running the streets, tell them niggas "hang it up"  
Diamonds on my neck, you see my niggas tatted up  
We be in the club, never catch me at the bar  
Call a waitress, tell her "bring me the bar"  
Couple years back an O.G. gave me the word:  
"Stop screwin' byrds, start movin' birds"  
So I put it down, now I'm the hottest in the hood  
If you're looking for me it ain't hard, I'm in the hood

I'm the realest (Yeah!)  
I'm the realest (Yeah!)  
If you're looking for that raw meet the dealer  
All these hoes up in here know I'm the realest  
It's shakedown, look you're fucking with the winners

And every weekend spending frequent like my CD about to drop  
On your TV, but still see me on the block  
I got that South Jamaica shit with me, Three V's off the lot  
Lamborghini screaming hear them bitches pulling up  
[?] riding shotgun, put the strippers in the truck  
Rake the fucking mall up, ain't no telling what I spend  
Living life, kind of like some shit that I done dreamt  
The clock's ticking, I'm on my way  
I'm Glock gripping, in case they want my pay  
Kush crushing, you can smell it when I pass  
Wings on the steering wheel, I'm stellar when I smash

I'm the realest (Yeah!)

Everybody winning, somebody loosing like a motherfucker  
Ciroc and pineapple juice is like a motherfucker  
On my bullshit, Carlos Boozer like a motherfucker

I pulled up in whatever, does it make difference?  
They still jump in the car, them bitches Blake Griffin  
Smoking all out, call that shit to the max  
Suckers smile in my face, they call me shit to my back  
But my team ride out, and your team died out  
Heard your boys didn't make it, should've never tried out  
Getting money over here, like "recession over where?"  
And I heard that money talks, so that's all I over hear
