

What else! It's R! Huh!

Say hello to the prince, money up on the drop on the brinks Gucci endorsed, colors on the links Orange, white and damn it even pink Y'all think, I wouldn't need to ball I wasn't gonna ball this year all star Dipped in the best, double R Phantom All black affair except we like the Mannings That's moves, can't lose, cash rules What's good you cowards is soft cat food (What else?) You fools lost damn you Wasn't in shape, didn't have a handle The plaques on the wall next to the plasma I be the "Baker" they caught in the "Rapture" Dope dope boy never ever been a rapper But I put them things together no plaster (Wha-lah!) More paper than the Mizell room I'm a have these haters sick lookin pale soon Been a drought 'bout two years strong Nobody got it your boy is still long It's still movin ahhh it's still movin S mokey, Robinson I'm still "Cruisin" In the new V, yeah who he? Ah oo oh wee I'm rich from Pookie

And I do it so easy, I make it look so easy And I do it so easy, I make it look so easy

I could earl on a beat Slick talk a chick, put your girl in the street Make her work for free, in turn for a G Listen closely, you could learn from a G Ball hard like the Boston Celtics They gon' celebrate me when I'm gone like Elvis I stack money in blocks like Tetris Bubble like the '93 Lexus Huh, I own stocks in serious, I'm serious So "Raw", I'm Eddie Murphy "Delirious" Bad Boy, like whatever P. Diddy is I must say, I'm quite good at this, period Jay Hov' said he might buy Koch Smart move, now he could get with the Co-Op (that's me) Now you could get the raw, the coke rock Westside highway, be where the boat dock Huh

And I do it so easy, I make it look so easy And I do it so easy, I make it look so easy

Transitional power, New Years Day! Welcome to the wonderful world of Shakedown'09, it's a new year, it's a new day Believe dat ... damn! Damn! Huh!
