Red Fang

I See Black Holes  
I See All Time  
I Hear Voices  
Crack And Unwind  
We'll Be The Bell Ringers  
Just Yours And Mine  
I See Black Holes  
Black Oil And Wine

There Is A Witch Calling  
There Is A Well  
6,000 Dogs Barking  
There Is A Hell  
We'll Be The Bell Ringers  
Boiled Til They're Blind  
I See Black Holes  
Black Oil And Wine
