

Sharks

Red Fang

This attitude gonna fuck you
And the dreams all dead
There's something I shoulda said
A long time ago

I think the future's getting to me
And everything's all crazy
I think the future's getting to me
And I just want it to be over

Yay
Oh yay
Getting to me, yeah

Open up the trap door
Want the lie you've been looking for
Open up the trap door
I think it's gonna be ugly

I think the future's getting to me
And everything's all crazy
I think the future's getting to me
And I just want it to be over

Oh yay
Oh yay
Yeah

It's alive
And it's feeding
Keeps getting more everyday

IT'S ALIVE
IT'S ALIVE
IT'S ALIVE
IT'S ALIVE
IT'S ALIVE
IT'S ALIVE
IT'S ALIVE
