

Together Again

Red Foley

Together again our tears have stopped falling
The long lonely nights are now at an end
The key to my heart you hold in your hand
And nothing else matters we're together again.

--- Instrumental ---

Together again the grey skies are gone
You're back in my arms now where you belong
The love that I knew is living again
And nothing else matters we're together again.

And nothing else matters we're together again...
