

Wedding Ring Ago

Red Foley

~~~~~♪♪♪ ~~~~~

You say that I was all to blame  
That's untrue because you know  
I gave my heart and soul to you  
A million tears ago  
But you were satisfied at least  
You told me so-ho-ho  
That was just a wedding ring ago

I couldn't offer much to you  
Just a promise to bring you joy  
And I was much too young to see  
You use me like a toy  
Then one day a stranger came  
Her name I did not know-ho-ho  
That was just a wedding ring ago  
~~~~~♪♪♪ ~~~~~

[Kitty] She was a millionaire
It was what you wanted you thought
But much too late you realized
Happiness could not be bought
You left her now you want me back
But another's love I know-ho-ho
I made him mine a wedding ring ago
