

Dead Cities

Red Harvest

Robotization of mankind
Total elimination of privacy
There`s a silent war going on
No more freedom of thoughts

We all need
error.com
My heart, my cell phone, my computer
error.com

They're building dead cities
Gotta get away from the digital rage
Dead cities

We all need
error.com
My heart, my cell phone, my computer
error.com

Robotization of mankind
Total elimination of privacy
There`s a silent war going on
No more freedom of thoughts
