

Teknocrate

Red Harvest

It's here already
It's after all of us...
you're flkking next
Tekno- logical domiNation
Create or modify TeknoLogical Productions
A constructed pre-defined community

You are programmed to believe
That this is what you want

All things are coded
It's just a matter of construction
Our eyes are changing By (our) Trans-Mutation
...and life keeps slipping away...
Anti humanized nature
Anti-life Cyborgian conditions
What was human anyway?

(We are) bio computers
Re-Configure yourself
The Teknocrates have spoken
