1. I... got dosed by you
Closer than most to you
What am I supposed to do
Take it away I never had it anyway
Take it away everything will be okay

2. In you a star is born
You cut a perfect form
Someone forever warm
Lay on lay on lay on lay on
Lay on lay on lay on lay on

R: Way up on the mountain where she died
All I ever wanted was your life
Deep inside the canyon I can't hide
All I ever wanted was your life

3. Show love with no remorse
Climb onto your seahorse
This ride is right on course
This is the way I wanted it to be with you
This is the way I knew that it would be with you
Lay on lay on lay on lay on (2x)
