1. Something inside the cards

I know is right

Fmi7

Don't want to live

C#

Somebody elses life

This is what I want to be

Bmi7

And this is what I give to you

Because I get it free

Bmi7

She smiles while I do my time

A E D

R: I could die for you

E D

Oh this life I choose

2. I'm here to be your only go-between To tell you of the sights These eyes have seen What I really want to do is Turn it into motion Beauty that I can't abuse

You know that I'd use my senses too

C#

You can see that

Α

It's only everywhere

C#

I'd take it all and then

I'd find a way to share

*: Come along and go

Along with me

Wander with me yo

It's all for free

A E

I could die for you

(**D**)

Whatchu wanna do

A E D

Oh this life I choose

*: Come again and tell me Where you want to go

C#

What it means for me To be with you alone

Α

Close the door and No one has to know

Bmi7 E

How we are

Come along and go Along with me Wander with me yo It's all for free

I could die for you Whatchu want to do Oh this life I choose
