

I Could Have Lied

Red Hot Chili Peppers

- B**
1. There must be something in the way
As Gb As B
I feel that she don't want me to feel
- B**
The stare she bares cut me,
As F# As B
I don't care you see so what if I bleed
B C# As
I could never change just what I feel
F# As B
My face will never show what is not real
2. A mountain never seems to have the need
to speak a look that shares so many seek
The sweetest feeling I got from you
the things I said to you were true
I could never change just what I feel
My face will never show what is not real

B C#
R: I could have lied I'm such a fool
As F#
My eyes could never never never keep their cool
B C#
I showed her and I told her how
As F# As B
She struck me but I'm fucked up now

B As
*: But now she's gone yes she's gone away a soulful
F# B
song that would not stay
B
You see she hides 'cause she is scared but
As F# As B
I don't care I won't be spared

R: I could have lied...

R: I could have lied...

B C#
... I showed her and I told her how
As F# As B
She struck me but I'm fucked up now.
