

# Johnny, Kick A Hole In The Sky

Red Hot Chili Peppers

I, I, I, I, I cry  
I cry  
I was born in a land  
I don't think you understand  
god damn  
what i am  
I'm a native of this place  
please don't kick me in my face  
my race  
has been disgraced

won't somebody testify  
kick a hole right in the sky  
testify testify kick a hole right in the sky  
slap a liar in his eye  
kick a hole right in the sky  
testify testify kick a hole right in the sky

I, I, I, I, I, I, I, I, I, I wonder why  
why  
puts us in a pumpkin shell  
where you keep us very well  
it's hell  
where I dwell  
when history books are full of shit  
I become the anarchist  
I'm pissed at this  
what this country claims to be  
it's a lie  
no place for me  
I bleed

won't somebody testify  
kick a hole right in the sky  
testify testify kick a hole right in the sky  
slap a liar in his eye  
kick a hole right in the sky  
testify testify kick a hole right in the sky

I, I, I, I, I, I, I, I, I, I decide  
to defy  
kill my trust if you must  
but in my blood there is the lust  
for life  
that's right  
apache blood is in my heart  
thrashing though me like a shark  
crashing though the dark

won't somebody testify  
kick a hole right in the sky  
testify testify kick a hole right in the sky  
slap a liar in his eye

kick a hole right in the sky  
testify testify kick a hole right in the sky

what am I supposed to do  
I feel like I'm cut in two  
confused by rules  
do these cultures clash or am I living in the past  
I ask  
please tell me fast

won't somebody testify  
kick a hole right in the sky  
testify testify kick a hole right in the sky  
slap a liar in his eye  
kick a hole right in the sky  
testify testify kick a hole right in the sky

to what do I belong and if I change will i be wrong  
I took my foot and kicked  
a hole in the sky  
I proceeded to plead  
fathers help me decide  
a jagged flash of light struck me in the eye  
I turned around and found that I was still alive  
snakes rise high from the purple black sky  
the red cloud rains and the black horse rides  
then it dawned on my like the mornin sun  
I'm a part of two worlds and the mornin comes  
glowing embers tend to remember when  
the power that is peace was treated as a friend  
I am a master of and I've got to take action  
I'm a man  
the animal man
