 Emi7+5 **Dm** **F6**
You know I will, you know I
G **Emi7+5**
will

Ex Girlfriend called me up
Alone and desperate on the prison phone
They want... to give her 7 years

Emi7+5
For being sad

F **F6**
R: I love all of you
 F **G** **F6**
Hurt by the cold
So hard and lonely too
When you don't know yourself

2. My friends are so distressed
And standing on the brink of emptiness
No words... I know of to express
This emptiness

R: I love all of you...

3. Imagine me taught by tragedy

Release is peace

I heard a little girl
And what she said was something beautiful
To give... your love no matter what
And what she said
R: I love all of you...
