

# One Big Mob

Red Hot Chili Peppers

1. I am you are me...

Good women said you gotta believe  
Submerge into the urge of we  
Deliciously the mystery  
The mystery

R: One big mob is...

2. Ooze into, into my noodle

East or West, shepherd or poodle  
Ladybug pinetree  
To mingle with the bumblebee  
A lover to the sun  
And a brother to the cool breeze

R: One big mob is...

One big mob, aw yea! aw yea!  
One big mob, aw yea! aw yea!  
Ek bara mala, aw yea! aw yea!  
Ek bara mala, aw yea! aw yea!  
One big mob is...

3. We live in the city

We live in the jungle  
It's time to be drinking a thimble humble  
Oh, everything you ever see  
Is never more than you and me  
Give it on in to the beauty of the mystery  
One big mob is... Ah

4. One big mob in one big home

A broken home  
I'd like to share some air with you  
Some air with you  
A morning forest full of truths  
The green is blue  
The head that's getting pregnant lives  
To give and give

5. What was I thinking in my head

The color red ?  
Breaking hearts instead of bread  
Something I said  
Checkmated by frustration  
I need to be cut loose  
A different kind of being lost  
A sullen cost

6.=1.
