

Pea

Red Hot Chili Peppers

I'm a little pea
I love the sky and the trees
I'm a teeny tiny little ant
Checking out this and that
And I am nothing
So you have nothing to hide
And I'm a pacifist
So I can fuck your shit up

Oh yeah I'm small
Oh yeah I'm small

Fuck you asshole
You homophobic redneck dick
You're big and tough and macho
You can kick my ass
So fucking what? (4x)
