

## Rivers Of Avalon

Red Hot Chili Peppers

Deep inside these sleeping shallows  
Far away where no one goes, now  
Take my place in golden space  
Of TV star that no one knows, now  
Deep, deep mystery is talking to me  
She's a giver of constant animation  
All around and ready to make a new formation  
You're the reason I'm in this world

I don't believe in everything I see  
Rivers Of Avalon  
Your supernatural energy  
Part of my scenery  
What I belong to is your ecstasy  
Rivers Of Avalon  
Your faith unwavering is key

The clone of my own loneliness has got to fade  
What am I known to?  
Little garland and in your starling  
Loving waves that I've succumbed to  
Deep, deep mystery is talking to me  
She's a giver of constant adulation  
All around and ready to make a new formation  
You're the reason I'm in this world

I don't believe in everything I see  
Rivers Of Avalon  
Your supernatural enegy  
Part of my scenery  
What I belong to is your ecstasy  
Rivers Of Avalon  
Your faith unwavering is key  
What do you see in me?

Deep, deep mystery is talking to me  
She's a giver of constant animation  
All around and ready to make a new formation  
You're the reason I'm in this world

I don't believe in everything I see  
Rivers Of Avalon  
Your supernatural enegy  
Part of my scenery  
What I belong to is your ecstasy  
Rivers Of Avalon  
Your fathom wavering is key

I don't believe in everything I see  
Rivers Of Avalon  
Your supernatural enegy  
All that it means
