

Slow Cheetah

Red Hot Chili Peppers

Emi **G**
1. Waking up dead inside of my head
 Asus2 **C**
Will never never do there is no med
Emi **G** **Asus2**
No medicine to take

I've had a chance to be insane
Asylum from the falling rain
I've had a chance to break

It's so bad it's got to be good
Mysterious girl misunderstood
Dressed like a wedding cake

Any other day and I might play
A funeral march for Bonnie Brae
Why try and run away

C **G**
R: Slow cheetah come
Asus2
Before my forest
C **G** **Asus2**
Looks like it's on today

Slow cheetah come
It's so euphoric
No matter what they say

2. I know a girl
She worked in a store
She knew not what
Her life was for
She barely knew her name

They tried to tell her
She would never be
As happy as the girl
In the magazine
She bought it with her faith
Chorus

Everyone has
So much to say
They talk talk talk
Their lives away
Don't even hesitate

Walking on down
To the burial ground
It's a very old dance
With a merry old sound
Looks like it's on today
