

# Someone

Red Hot Chili Peppers

Someone  
There are no worries for  
Someone  
Life's in no hurry for  
Someone  
There are no worries for  
Nothing major or too complicated  
Just a friendly wager that we orchestrated  
For someone  
Someone

Cut my heart out  
With a feather  
And put an end  
To any extra pressure

For someone  
There are no worries for  
Someone  
Life's in no hurry for  
Someone  
There are no worries for

Ride around on mellow waves of mercy  
And fill the space with lack of controversy

For someone  
Someone

Set it up to follow you  
On my aeroplane  
Here's a present  
For the future memory lane

Someone  
There are no worries for  
Someone  
Life's in no hurry for  
Someone  
There are no worries for

Light it up the room  
She sang into any twane  
In the month of June i'll be  
A moth to your flame

Someone  
There are no worries for  
Someone  
Life's in no hurry for  
Someone  
There are no worries for me  
For me  
For me  
For me
