When I saw you

F#mi

I hope I get what you deserve

And this is where I find

2. Smoke surrounds your perfect face

And I'm falling

Pushing a broom out into space

And this is where I find a way

D

A mirror to the moon

A

I'm forming I'm warming

E

State of the art

Until the clouds come crashing

Stranger things have happened

Both before and after noon

I'm forming I'm warming

Pushing myself

And no I don't mind asking now

3. Alone inside my forest room

And it's storming

I never thought I'd be in bloom

But this is where I start

4. Derelict days and the stereo plays

For the all night crowd

That it cannot phase

And I'm calling

- R: The stadium arcadium...

5. Tedious weeds that the media breeds

But the animal gets what the animal needs

And I'm sorry

And this is where I find

6. Rays of dust that wrap around

Your citizen

Kind enough to disavow

And this is where I stand
