

Sugar Sugar

Red Hot Chili Peppers

Oh, sugar sugar, say: "Hey"
Up from the party she will not stray
Oh, sugar sugar, say: "Hey"
Up from the party she will not stray
And when she goes, she goes on her way
She'll knock again and gonna get it her way, oh
Sugar sugar, say: "Hey"

Oh, sugar sugar, say: "Hey"
Up from the party she will not stray
Oh, sugar sugar, say: "Hey"
Oh, can you do this 'till you turn gray?
And when she goes, she goes on her way
She gonna get it, gonna get it her way
Sugar sugar, say: "Hey"

Oh, sugar sugar, say: "Hey"
Up from the party she will not stray
Oh, sugar sugar, say: "Hey"
Oh, can you do this 'till you turn gray?
And when she goes, she goes on her way
She gonna get it, gonna get it her way, oh
Sugar sugar, say: "Hey"
