

## Taste The Pain

Red Hot Chili Peppers

1. Flat on my back  
In a lonely sprawl  
I stare at the ceiling  
Because I can not fall  
Asleep tonight  
No, not at all

2. Head lights flash  
Across my bedroom wall  
Crying eyes open  
Because I can not fall  
In love with you  
No, not at all

R: Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid

3. Busted in two  
Like a brittle stick  
I can not drink  
Because my throat constricts  
Lovesick from you  
That will never do

4. Open my mouth  
I couldn't make a sound  
I could not scream  
You know I could not shout  
It out to you  
Nothing to do

R: Walk away and taste the pain...

5. This may come  
As a shocking surprise  
I have to take a walk  
I have to kiss it goodbye  
Goodbye my love  
Goodbye my love  
I am not alive

R: Walk away and taste the pain...
