Red Hot Chili Peppers

**C G Am** (2x)

**C G**  
1. This is my time  
**Am**  
This is my tear  
**C G**  
I can see clearly now  
**Am**  
That this is not a place  
For playing solitaire  
**C G Am**  
Tell me where you want me  
**C G**  
This is my time  
**Am**  
This is my tear

**C G**  
2. Comin' on strong  
**Am**  
Baudelaire  
**C G**  
Seems to me like  
**Am**  
All the world gets high  
When you take a dare  
**C G Am**  
Let it rise before you  
**C G**  
This is my crime

**C C/B**  
R: All in all an' I'm  
**Am G**  
Loving every rise and fall  
**F Em**  
The sun will make and I will take  
**F G**  
Breath to be sure of this  
**C C/B**  
In the endin' end  
**Am G**  
All will be forgiven when  
**F Em**  
Surrender rises high and I  
**F G**  
Give what I came to give  
**Am**  
Say it now because you never know  
(oh, never know)

3. Devil may cry devil may care  
Distiller's got a scream  
And now I know just why  
When she's movin' air  
Can you feel the voltage

This is my time  
(hraje se jako 2. sloka)

**C G Am** (2x)

**C G**  
\*: California skies  
**Am**  
Got room to spare  
**C G**  
This is my time

R: All in all an' I'm...

**F E** (4x)

**C G Am** (2x)

4. Take it outside  
Take it out there  
Seems to me like  
All the world gets high  
When you take a dare  
In the final moment  
This is my time

R: All in all an' I'm...
