

The Greeting Song

Red Hot Chili Peppers

1. Drivin' around, I've got my baby and my top down
Mary-go-round, I ride you for my love
Throwin' me down in the backseat, underground
I'm on the mound, I make it for my love

2. Makin' my way, I brake another L.A. day
Time in the town, I need it for my love
My Chevrolet, your rollin' to another play day
This is the sound, I listen for my love

R: Who you talkin' to? talk to me you
Sound of music
Who you talkin' to? talk to me you
Sound of music

I love you, swim through me
Good feelings, come to me

3. Sought and I found a life of makin' my blood sound
Do anything for the one I love
Something profound, the face of God is a sensoround
I'm on the mound, I make it for my love

R: Who you talkin' to...

I love you, swim through me
Good feelings, come to me
I love you, swim through me
Good feelings, come to me
Yeah!
