

PUSHERMAN

(Mm) One stack for the pusherman
(Mm) Two claps for the pusherman
Three years for the pusherman
(Mm) Slingin' cocaine, screamin' "yippee-ki-yay" (Yippee-yippee-ki-yay)

Tell me what you need
Don't you know that I'm the plug?
I got blow and ecstasy
Even got that angel dust
If you want oxies, you gon' have to pay me twice
The broccoli's on sale for a half price, ha
So if you wanna get high, I can be your pusherman

Take the gold out the mountains
Make it snow in the valley
You could cry me a river
Ain't nobody gonna stop me

Ain't one for the day job
Just put me in the graveyard shift
Sold weed at the valet
Then I started movin' that hard shit
Turned a dime bag to a eight ball
Eight ball to a kilo
Rubber bands on my bank rolls
I'm the Fresh Prince of Reno

Take the gold out the mountains
Make it snow in the valley
You could cry me a river
Ain't nobody gonna stop me
